

Tora has gone too far – at least that's what the Longmen gang, that's gonna punish him for his brutal ways of hunting down the last "13 Night's" top ten, thinks. Eight against one, that doesn't sound like a fair fight. And Tora actually would have barely any chance to win the fight, if Eito and Kaneko weren't on their way to help him...

Tora's
definitely
gonna
come here.

Until now,
he always
ended up
coming here
after he'd
won a fight.

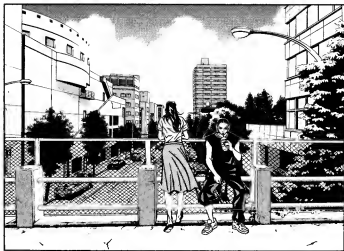

One month
has passed
since Hachiya
enrolled to
our school.

And a long
hot day was
awaiting the
seven of us.

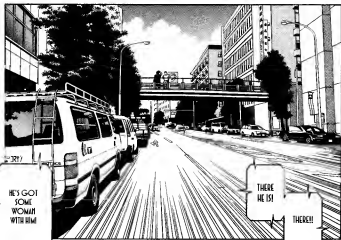

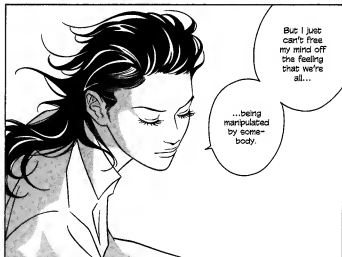

"IT'S MUCH TOO
DANGEROUS FOR YOU...
AND I GOT SOMETHING TO
FIND OUT, ANYWAY..."

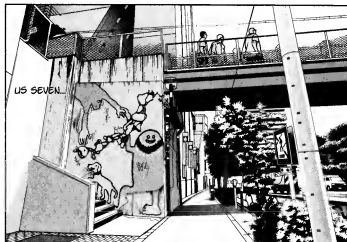

MASATO...

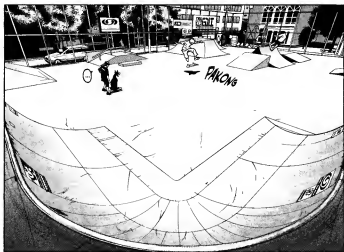

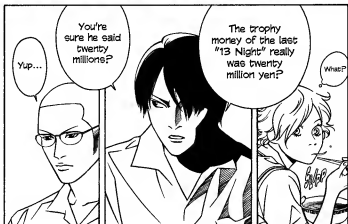

...AWAITED
A LONG,
HOT DAY.

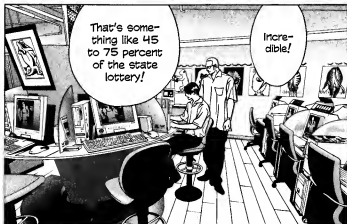

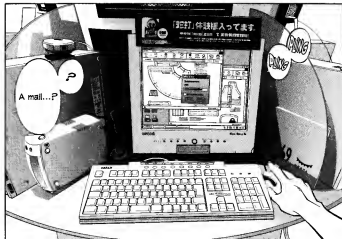

25. Caramel

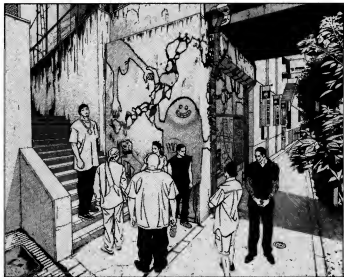

Hi, guys of the Udagawa middleschool!
Get the fuck going!
Your friends Toragi Tatsumi and Aizome
Nanako are just getting kidnapped,
they are over here:

That
guy...

It's thanks
to those Long-
men guys, that
I lost sight on
my left eye!

Feeling
generous
today?!

Let's
go!

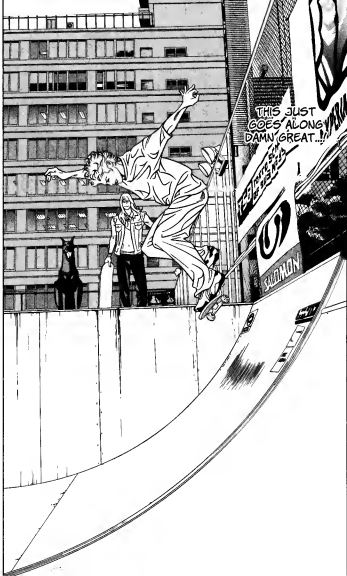

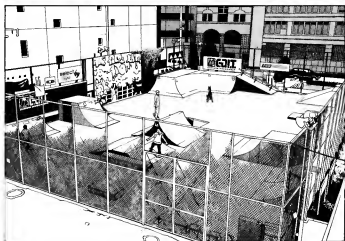

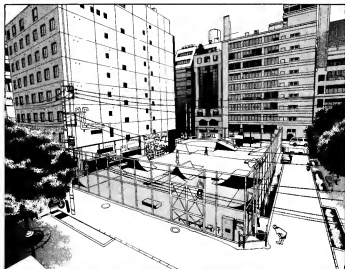

THIS JUST
GOES ALONG
DAMN GREAT...

THEY'RE S'IN
OF BUSINESS

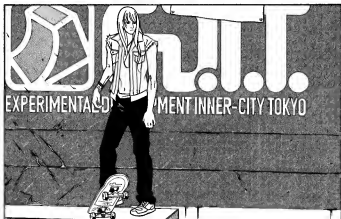

W
SALMON

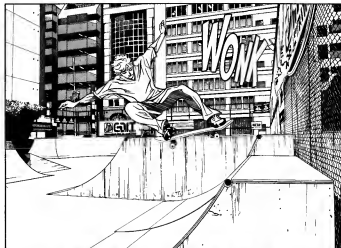

There're quite
the rumors
about that guy,
these days.

That's Hachiya
Elto, isn't he?

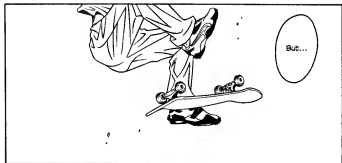

I'm really
shocked.

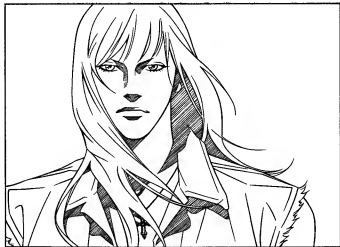

He really
looks just like
Masato!

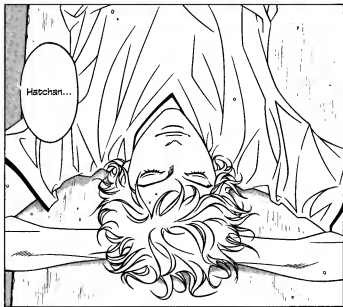

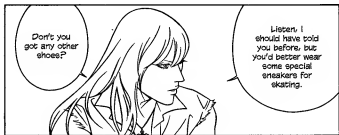

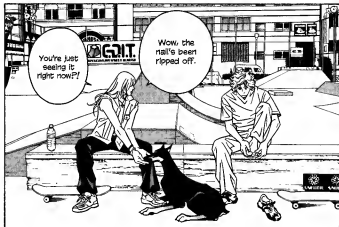

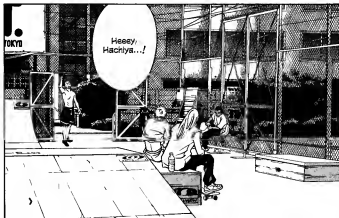

NOT LIKE IT WAS PLANNED
THAT THAT CUTIE WAS GONNA
BE INVOLVED, BUT MAYBE YOU'RE
NOT GONNA BE IN TIME TO GET
HER OUTTA IT; IMMA TELL YOU
ANYWAY WHERE THE EXECUTION'S
GONNA TAKE PLACE.

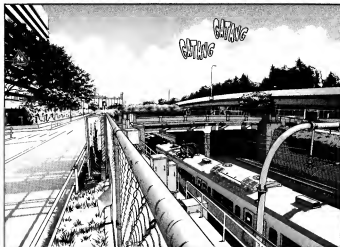

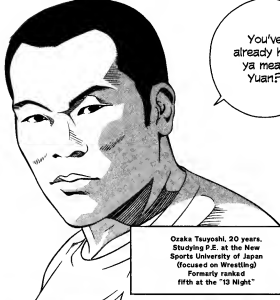

And I always
knew that I was
much better fit to
fight, anyway!

You've
already had
ya meal,
Yuan?

Ozaka Tsuyoshi, 20 years.
Studying P.E. at the New
Sports University of Japan
(focused on Wrestling)
Formerly ranked
fifth at the "13 Night"

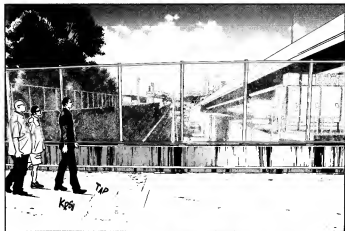

Damn, for
how long's that
Nito gonna make
us wait, anyway?

Nops...

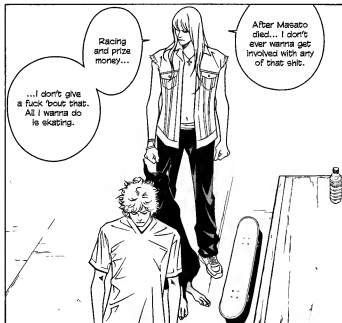

Chan Yuan, 18 years.
Russian Chinese.
Acting no. three of
the tournament

27. Alliance

Looks like
they're finally
arriving.

Racing
and prize
money...

After Masato
died... I don't
ever wanna get
involved with any
of that shit.

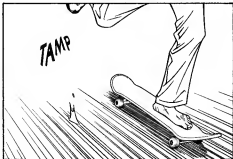

...I don't give
a fuck 'bout that.
All I wanna do
is skating.

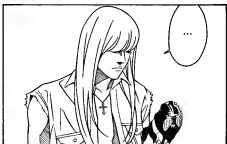

...It's been fun!
Skating just
made me forget
everything.

You actually
hate getting into
fights, even if your
manners would
suggest the
opposite.

I know.

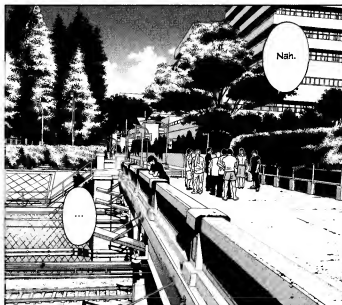

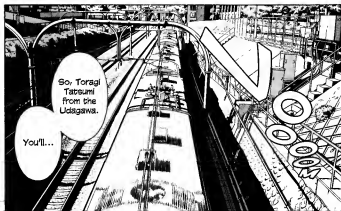

WHAT A LADY! SHE'S
STILL IN MIDDLESCHOOL
FOR REAL?

THAT'S CRAZY...

...fight each and
every one of us,
here and now!

Goten

Just
make sure
not to
die.

...you're using a
weapon; that we
can't tolerate!

28. Burn

...I STILL
CAN'T IMAGINE
THAT GREENHORN
WASTING "THE ROCK"...

EVEN IF HE'D
REALLY USED
A METAL BASE-
BALL BAT...

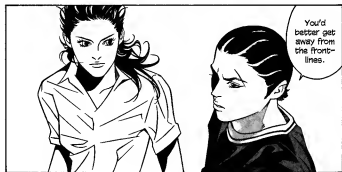

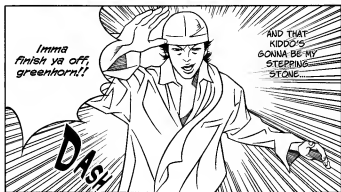

Imma fuck up all
of you; take my
word for that!

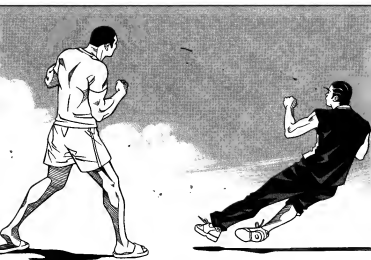

TORA..!

THAT DUDE
HASN'T BEEN
THE NO. FIVE
FOR NOTHING...

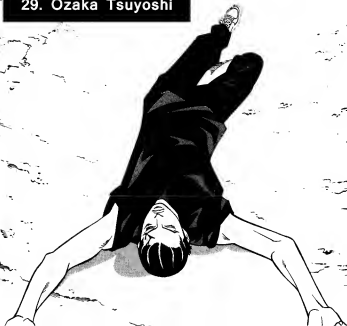

OZAKA
TSUYOSHI...

And that's
definitely not
you, kiddo.

I'm here to
meet the one
who wasted
"The Rock."

29. Ozaka Tsuyoshi

AND I DON'T
THINK SHE
FROZE FROM
FEAR, EITHER.

WHAT AN AMAZING GIRL!
SHE'S NOT SCREAMING,
SHE'S NOT RUNNING
TO HER FRIEND, SHE
DOESN'T EVEN SEEM
TO BE NERVOUS.

AS IF SHE HAD
A STRONG
BELIEF IN
SOMETHING...

SHE'S JUST
STANDING THERE,
AS IF SHE WAS
WAITING FOR
SOMETHING...

What're we
gonna do 'bout
this guy?

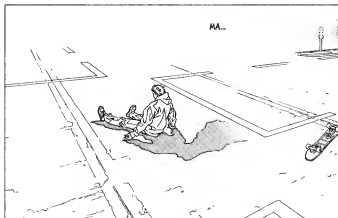

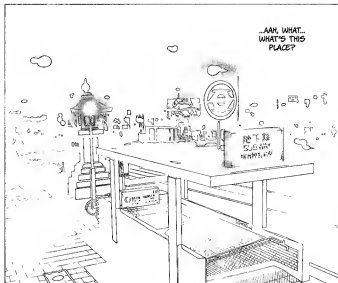

Ni-bo-
san!

Hey,
come
on!

*Wake the
fuck up,
sleepy-
head!!*

MASATO...?!

WHAT?
WHAT DID
YOU SAY?!
MASA...

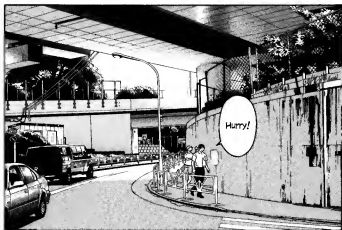

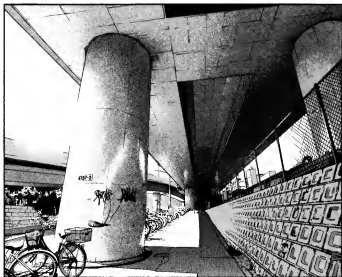

HUH?

ZAMP

THE ACTING
VICE-CHAMPION
KANEKO KAZUSHI!
NO DOUBT,
IT'S HIM!!

Where're
you going!

Hey,
wait!

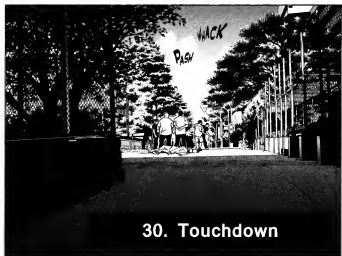

That direc-
tion's your
way straight
into hell!

Sorry, but
that's exactly
where we
gotta go!

30. Touchdown

DAMN,
COULD IT
BE THAT
NANAKO...

NANAKO...
NANAKO?!

That means
it's definitely
not gonna
end with Tora
going down.

But by now
this has turned
into my fight, too.
And the fight of
the Udagawa.

Then I'm
gonna fight
on...!

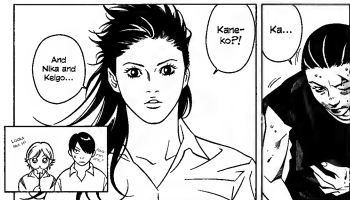

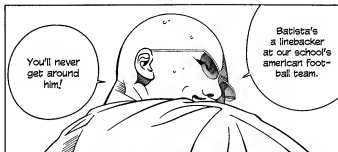

That won't
be neces-
sary!

Touchdown!!

*You're
some
ghost,
dude.?!*

*This ain't
your fight!*

*Just stay
outta this,
Kaneko,
will ya!?*

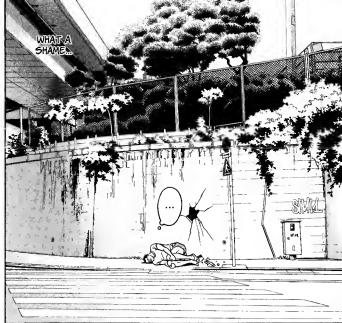

*Imma fuck
up all of
'em!!*

*You'd better
make that
gorilla come
back!*

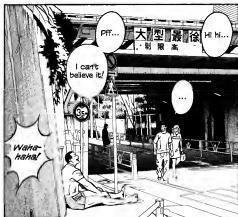

WHAT A
SHAME...

A COMPLETE
DEFEAT...

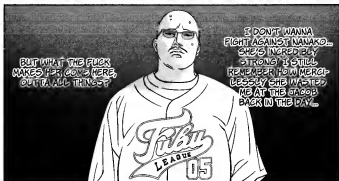

INCREDIBLE...
AND THAT KANEKO
KAZUSHI'S REALLY
STILL ONLY A
MIDDLE SCHOOLER!?

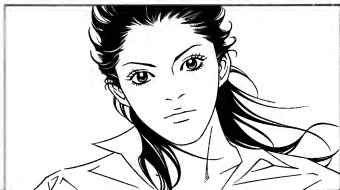

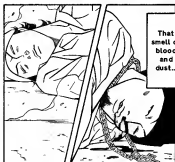

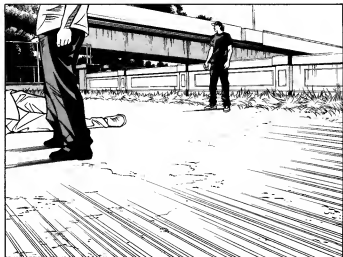

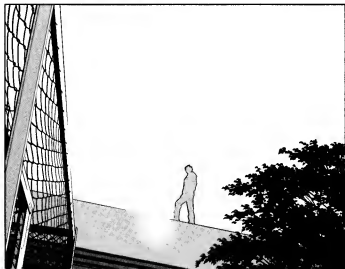

And
Mules'
stink...

Looks
like loads
of fun!

Okay
if I join
you?!

32. Fly!

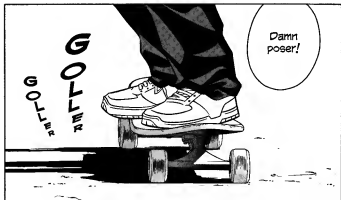

...I just
took the
highway!

Well, I
was so
heated
...

You really
gotta snitch
all the time,
Shin-chan! P

Shin-
chan!!

GOLVER

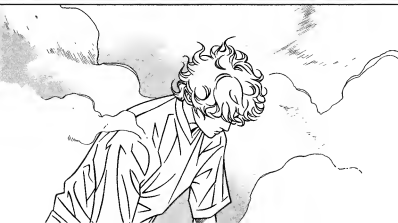

GOLVER

GOLVER
GOLVER

Forget
it, fool!

Just call
me Eito!!

Hi, I'm
Hachiya Eito!!

No
thanks!

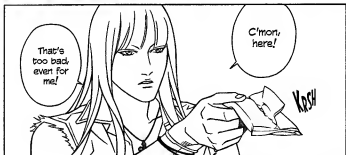

We're not
gonna call you
that, haven't we
told you?!

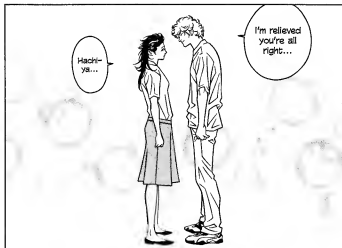

Your
name...

HA HA HA
HA HA HA
WA HA HA

You
remember
me?

Should I?

...

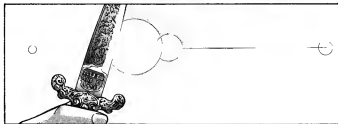

Masato!

And what
about this
knife?

33. Kuga Masato

I'm Hachiya Eito, haven't I said so already?!

I'm not Masato.

Yeah, your friend over there introduced us to each other.

You knew Masato?

Oga-
sawara
Keigo.

Feel free
to look
around!

Come on!

Eight
months
ago

They're all
rarities!

How
about
it?

If you wanna
take a look,
I'll get them
from my car.

I got
shirts
of Nyape
and Good
Enough,
too!

It's a fake!

That's actually kinda cheap. At the second hand shop I just saw them at 24,800 a while ago.

A shirt for 19,800...?

These are mass produced!

The originals are handmade.

What...?!

Oga-chan...

I'm the one who designs these shirts, and don't you think I'm crazy or something.

Who do you think you are?

...

Isn't that just
what all those
shitty brands
that managed
to come up
and flooded the
market did?

But...

I don't feel a
bit like checking
out all the shops
and market stalls
to earn money
from the reselling
of each and
every one of
the shirts.

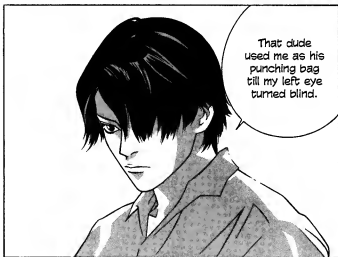

*If you need
to sell my
T-shirts, at
least sell the
originals!!*

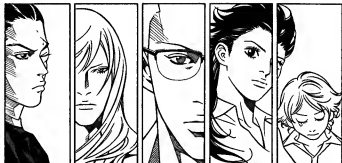

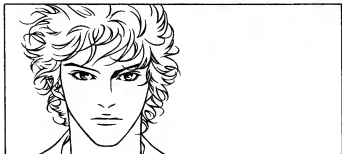

And it didn't
even take Masato
two hours to rush
in at our club.

Who're
you?

8th grade,
Udagawa
middle school.

Kuga
Masato.
